

POINTS OF INTEREST

1. Site of GMF Hotel (1889 burned 1908): It was three stories high with 70 rooms, bathhouse and bowling alley. Rates: \$16/week with board

2. House of Fortune (1889): Rumored to be named for a place for miners to weigh gold dust.

3. Tanglewood/Iron Spring (1889): The spring had a well worn path from the Town below.

4. Crystal Falls: Outflow from Crystal Reservoir on the North Slope of Pikes Peak. A small hydro plant built in 1911 gave electricity to the Town from dusk to midnight summers only until 1931.

5. Lakeview Terrace Hotel (1888): The first hotel built in Town. Recently restored

6. Church of the Wildwood (1889): Built by community men who volunteered their labor

7. House of 7 Gables (1889): A favorite Halloween haunt when it was empty

8. Willomere (1888): Built by the GMF Town Co. for first settler George Howard, in exchange for his ranchland, the site of the new Town.

9. Site of the first log house in GMF built in 1887 by George Howard & Ogden Whitlock.

10. The Hummingbird (1898): Built by a man for his bride but he was killed in a train wreck before the wedding.

11. Catamount Falls: The outflow for the Catamount Reservoirs on the North Slope of Pikes Peak.

12. Location of alleged sighting of Bigfoot In 1989: Featured on the TV show "Unsolved Mysteries".
